

Human Body week- PK3

The learning objectives for this week are:

- Learn common parts of the body and their names
- Learn how digestion works
- Learn about germs and how they work

Sensory & Fine Motor Skills

- Human Body Organs Toob
- Build a body out of straws and playdough
- Play in the human body outfit you make. Show and explain how the body works to a family member or friend. Drop food down the “esophagus” while talking about digestion.

Math Element

- Count the major bones and organs in your body (using a skeleton, your own body, or a picture online/in a book)

Literacy Element

- Try and match and name parts of the body
- Make cards for each organ of the body and call out/match those cards to the organs on the body

Science Element

- Learn about why we need bones- <https://www.pinterest.com/pin/484348134910645205/>
- Magic School Bus Human Body science kit (pick the activities your child will respond best to doing, such as the poster, softening bones, and a homemade stethoscope)- https://www.homesciencetools.com/journey-into-the-human-body?fee=2&fep=1500&gclid=EAlaIQobChMlovms4_TX1glVwkOGCh1zqAPvEAQYAyABEgJEW D BwE

Arts & Crafts

- Skeleton puzzle- <http://www.tottotgoose.com/2016/07/skeletons/>

- Wearable human body - <http://mommiemerccer.blogspot.com/2012/09/week-3-4-five-in-row-madeline.html>
- With an egg carton spine - <https://www.pinterest.com/pin/484348134910630633/>
- Playdoh fun with a brain - <https://lds-nha.squarespace.com/the-sentinel/2014/3/30/semester-of-science-the-human-body-part-3>

Music & Movement

- The Skeleton Dance (<https://www.youtube.com/watch?v=qeSSmNRBlgY>)
- Head, Shoulders, Knees, and Toes

Books to Read

- Madeline
- My First Encyclopedia (the Human Body Page)
- Curious George Germ Book
- Usbourne The Human Body: A Shine-the-Light Book

Shows & Movies

- Curious George episodes on germs
- Magic School Bus: Inside Ralphie's Body
- Music and video links for kids on the human body - <http://www.primarythemepark.com/2016/08/human-body-videos-for-kids/>

Places and Experiences

- Do this unit on a week you go to the doctor or dentist

Snacks

- Make homemade chicken noodle soup or roasted chicken and study the leftover bones or soften them in vinegar

Miscellaneous

- Human body printables - <http://www.livinglifeandlearning.com/preschool-human-body-printables.html>
