

# Weather Week PK3

The learning objectives for this week are:

- Learn about clouds
- Learn about types of weather and figure out how to identify the weather where we live

## Sensory & Fine Motor Skills

- Weather sensory bottles- <http://www.two-daloo.com/weather-sensory-bottles-circle-time/>
- Play with dress- up dolls and have the dolls dress appropriately for different types of weather
- Create a weather station (<https://klmpeace.wordpress.com/2013/10/07/explore-preschool-steam-pitter-patter/>)

## Math Element

- Weather i-spy and count- <http://www.andnextcomes1.com/2016/02/free-dinosaur-i-spy-printable-for-kids.html> (Created for kids with autism, but any kids can enjoy)
- Counting Sunshine Rays and Raindrops (<http://learningthroughlittles.blogspot.com/2016/03/countingraindrops.html?spref=pi&m=1>)

## Literacy Element

- Weather terms matching cards- <http://montessorisoul.com/free-downloads?task=document.viewdoc&id=114>
- Letter C tracing with cotton balls for “cloud”

## Science Element

- Magic School Bus Rainbow science kit (<https://www.rainbowresource.com/proddtl.php?id=041831&subject=Science/11&category=Magic+School+Bus+Science+Kits/6880>)
- Water Cycle Bag Experiment (<https://www.rookieparenting.com/what-is-water-cycle/>)
- Shaving Cream Rain Clouds (<http://onelittleproject.com/shaving-cream-rain-clouds/>)

## Arts & Crafts

- Rainstick in a bottle- [http://www.teachpreschool.org/2016/03/rainstick-in-a-bottle/?utm\\_campaign=Feed%3A+TeachPreschool+%28Teach+Preschool%29&utm\\_medium=email&utm\\_source=feedburner](http://www.teachpreschool.org/2016/03/rainstick-in-a-bottle/?utm_campaign=Feed%3A+TeachPreschool+%28Teach+Preschool%29&utm_medium=email&utm_source=feedburner)

- Rainbow mobile craft- [http://b-inspiredmama.com/rainbow-mobile-craft-kids/#\\_a5y\\_p=5049092](http://b-inspiredmama.com/rainbow-mobile-craft-kids/#_a5y_p=5049092)
- Thunderstorm Painting (<https://buggyandbuddy.com/weather-activities-for-kids-thunderstorm-art-project/>)

## Music & Movement

## Books to Read

- Magic School Bus Makes a Rainbow
- Let's Read About Wind
- Face the Wind by Vicki Cobb (has some great activities where kids can make their own wind)

## Shows & Movies

- Curious George weather episodes
- Magic School Bus Rainbow, Into a Hurricane and Water a Cycle episodes

## Places and Experiences

- Field trip to Punxsutawney to see Phil on Groundhog Day
- Meet a meteorologist

## Snacks

- Frozen yogurt "cupcakes" in different colors with different fruit flavors in the colors of the rainbow

## Miscellaneous

- Look at the weather channel and spend time outside each day to identify and chart the weather outside each day  
(Weather Chart- <http://alittlepinchofperfect.com/free-printable-weather-char/>)
- Weather Report (<http://www.playdoughtoplato.com/weather-activities-kids-love/>)
